

In 2018, Premier Doug Ford promised:

**"The people don't want us to touch the Greenbelt.
Unequivocally, we won't touch the Greenbelt."**

On November 4, 2022, he broke that promise.

Although politicians do break promises, commitments to protect the planet are a special kind of promise. **Everything is at stake.**

Greenbelts are created to act as obstacles which protect the environment from profit-driven "development".

Conservative MPPs are poised to betray the environment and the will of the people—**by selling out to wealthy developers.**

Please phone, mail or email today:
**Tell MPP Matthew Rae to
KEEP THE GREENBELT PROMISE!**

It's NOT too late to save the Greenbelt!

The voters of Perth—Wellington went to the polls on June 2, 2022, believing that candidate Matthew Rae would keep the Greenbelt promise. Conservative MPPs like Matthew Rae **must not give developers a green light to send bulldozers into the Greenbelt**. It would be an unforgivable betrayal.

Please tell MPP Matthew Rae he has a moral obligation to the people of Perth—Wellington to speak out clearly and publicly in defense of the Greenbelt.
